

Situational Leadership

Duration: 1 day

Audience: Managers of Others

Pre-requisite: Complete a questionnaire (paper-based or online)

Costs: In addition to facilitation fees, this program incurs a per person cost for materials.

This full-day program will help participants learn manage to improve employee performance on tasks.

Situational Leadership® II (SLII®) is a comprehensive and practical method of effectively managing and developing people. SLII provides leaders with a model and the tools for creating open communication and developing self-reliance in those they manage. It is designed to increase the frequency and quality of conversations about performance and development. As a result, competence is developed, commitment is gained, and talented individuals are retained.

Objectives: At the completion of this program participants will be able to:

- Clarify employee goals and ensure alignment with the organization's goals.
- Create systems to track performance and partnering.
- Increase retention of "star" employees.
- Improve individual and organization development.
- Improve job satisfaction and morale at all levels.
- Create a shared language of leadership within an organization.
